Dear Sirs

We are writing to you about an event the Country Fair on Sunday 11th September 2011 to take place at Bourton Manor Farm, Bishops Cannings, Devizes, Wiltshire SN10 2LG I know that you have a stall at several shows so thought this would be of interest.

We are targeting the event at families wanting a fun day out. The Fair includes an Animal Farm, Country Crafts and Pursuits, Marketplace, Family Dog Show, Wholesome Refreshments. The event is in aid of a new Vocational Centre being built at Rowdeford School for the benefit of children with special needs across Wiltshire.

When we ran the Country Fair in 2009 we had 1,500 visitors on the day – and we hope to get even more this time. The gates open to the public at 11am until 5pm. The entry fee is a modest £10 per car and the Charity wants to raise funds through the activities taking place and through attracting trade stands.

Set up will be from 8:30am. All stands must be in situ and the showground must be clear of vehicles by 10:30am. Traders have separate parking to the public. There is a possibility of set up the day before on request but there will be no specific overnight security arrangements in place and the Fair's insurance does not cover this.

We are sorry no generators are allowed on site but there will be power for a limited number of stall holders at £10 by booking on a first come first served basis. All stall holders must provide their own cover, tables and chairs.

This is an exciting, well attended event, which we hope you will support by booking your stall using the enclosed form. It should be a profitable day for you and enhance your image through association with a well respected and worthwhile Charity.

If you have any queries please call Elizabeth Frearson on 01380 860244.

Yours faithfully
